**Psychiatry and Addiction
World Conference**

PAWC 2025

ABOUT THE CONFERENCE

2nd Edition of Psychiatry and Addiction World Conference. (**PAWC 2025**) commits to providing a unique interdisciplinary platform for educators, researchers, and practitioners to showcase and discuss novel trends, innovations, and major concerns along with practical challenges. Adopting new approach-based solutions in the field of Psychiatry and Addiction can be effective. Around 5.5% of the global population which is around 270 million people are reported to be engaged in some sort of addiction practices including drug use and alcohol consumption. This is a huge problem which needs immediate attention.

This conference aims to bring together great minds from their respective field to address challenges and shortcomings within the industry. Fostering healthy collaboration and giving useful insights leads to knowledge enrichment helping to prevent and treat disorders like addiction.

This event is scheduled to be held in Singapore from 25 April 2025 to 27 April 2025 in a hybrid format. This will provide flexibility to all participants to take part in this event at their ease. This event will host various scholarly events like presentations and keynote sessions. With its high quality, it offers exceptional value for students, scholars, and industrial researchers. We will work hard to ensure the success of the conference with the utmost planning schedules. It will be a wonderful experience for you, for us and for everyone attending the conference.

ABOUT ORGANIZER

Precision Global Conferences is a highly established scientific conference organizer. We take high integrity in conveying your achievements to the world. We emphasize your incredible work and contribution to the science. Precision global conferences have come up with the progression, broadcast, persistence, research, and development activities in the field of cancer, neurology, nursing science, and catalysis.

We support the beacon of quality research works and efforts of the academicians, researchers, scientists, and doctors and all the future young to be experts to fearlessly confide their eminent works. Our primary goal is to make health care accessible and understandable to the people. We are ecstatic to pass on the ray of research and developments, and cutting-edge therapies throughout the world. Hence, we are here to organize and conduct high esteemed conferences.

This conference will emphasize the distinguished works and their medicinal consequences through hybrid presentations. If you're in search of a perfect podium that can reflect your professional ethics and voice your work we are here with the best team, welcoming your honourable presence.

Why attend the Precision Global Conferences?

- You'll gain fresh viewpoints and insights while staying up to date with your respective field.
- To network and get to know subject-matter specialists. The ability to interact with, get to know, learn from, and share ideas with the experts in your field opens the possibility of future partnerships and research sponsorships.
- Sharing and presenting your work will effectively help to build your professional reputation.
- You might meet people who are behind and ahead of you. Looking at their accomplishment you can take some inspiration home you polish your work to the next level.
- You never know where a connection leads you. Hence offline/online connections are very important to grow.
- Attending conferences can inspire your creativity, spark your exposure, enhance your mindset, and inspire you to pursue things in novel ways.
- Leaders in the world are perpetual learners. Even taking a few notes during a conference can assist you in coming up with ten fresh approaches to a single issue.
- Attending a conference help in keeping your knowledge correct, insights sharp, and strategies fresh.
