ABOUT THE CONFERENCE

We are delighted to welcome all nursing professionals to the 3rd Edition of World Nursing Research Conference (**WNRC 2025**) which will be held from 20 June 2025 to 22 June 2025 in Singapore. Offering exciting opportunities this event delves into knowledge sharing, exploring new and latest advancements in Nursing science. This conference will be a great tool to engage in thought-provoking discussions and presentations with experts who are leading in their fields.

WNRC 2025 aims to strengthen the action and impact of participants nationally, regionally, and internationally through a multidisciplinary program showcasing the latest successful interventions, and recent advances in new strategies in training and practice in nursing, midwifery, patient safety, and public health.

The program will include invited plenary lectures, lectures, and poster sessions highlighting the latest research in nursing. The program will be organized by a committee of experts in their field. Let us together make this wonderful event a great success by participating in various events of the conference.

ABOUT ORGANIZER

Precision Global Conferences is a highly established scientific conference organizer. We take high integrity in conveying your achievements to the world. We emphasize your incredible work and contribution to the science. Precision global conferences have come up with the progression, broadcast, persistence, research, and development activities in the field of cancer, neurology, nursing science, and catalysis.

We support the beacon of quality research works and efforts of the academicians, researchers, scientists, and doctors and all the future young to be experts to fearlessly confide their eminent works. Our primary goal is to make health care accessible and understandable to the people. We are ecstatic to pass on the ray of research and developments, and cutting-edge therapies throughout the world. Hence, we are here to organize and conduct high esteemed conferences.

This conference will emphasize the distinguished works and their medicinal consequences through hybrid presentations. If you're in search of a perfect podium that can reflect your professional ethics and voice your work we are here with the best team, welcoming your honourable presence.

Why attend the Precision Global Conferences?

- You'll gain fresh viewpoints and insights while staying up to date with your respective field.
- To network and get to know subject-matter specialists. The ability to interact with, get to know, learn from, and share ideas with the experts in your field opens the possibility of future partnerships and research sponsorships.
- Sharing and presenting your work will effectively help to build your professional reputation.
- You might meet people who are behind and ahead of you. Looking at their accomplishment you can take some inspiration home you polish your work to the next level.
- You never know where a connection leads you. Hence offline/online connections are very important to grow.
- Attending conferences can inspire your creativity, spark your exposure, enhance your mindset, and inspire you to pursue things in novel ways.
- Leaders in the world are perpetual learners. Even taking a few notes during a conference can assist you in coming up with ten fresh approaches to a single issue.
- Attending a conference helps in keeping your knowledge correct, insights sharp, and strategies fresh.
