# ABOUT THE CONFERENCE

We are honored to welcome all neurology professionals, researchers, and healthcare innovators to the 5th Edition of the International Neurology Conference (INC 2026), scheduled to take place from October 2 to October 4, 2026, in the culturally rich and vibrant landscape of Spain.

INC 2026 is dedicated to propelling advancements in neurology and brain science by fostering collaboration, disseminating cutting-edge research, and showcasing the latest innovations in clinical practice and neuroscience. This prestigious gathering offers a unique opportunity for the global neurology community to engage in high-impact learning, explore emerging therapies, and address challenges shaping the future of neurological care.

The conference will feature a dynamic program that includes plenary sessions, expert-led symposia, poster presentations, and interactive panel discussions, all led by distinguished leaders in the field. Topics will encompass a broad spectrum of neurological and neurodegenerative disorders, neuroimaging, neurosurgery, translational neuroscience, and innovations in diagnostics and therapeutics.

Through this multifaceted agenda, INC 2026 aims to elevate scientific discourse, inspire new collaborations, and drive forward progress that enhances patient outcomes worldwide.

We cordially invite you to be an integral part of this influential international forum and contribute to shaping the future of neurology by actively participating in the sessions, networking opportunities, and collaborative initiatives that define INC 2026.

# ABOUT ORGANIZER:

INC 2026

## ABOUT US

Precision Global Conferences (PGC) is a global scientific conference organizer. At Precision Global Conferences, we believe that knowledge has the power to transform the world. As a leading scientific conference organizer, we are committed to advancing scientific discovery, professional development, and global collaboration through dynamic and high-impact events. Precision Global Conferences has advanced the progression, broadcast, persistence, research, and development activities in cancer, neurology, nursing science, addiction, and infectious diseases, fostering innovation and collaboration across these critical fields.

Our conferences unite researchers, educators, healthcare professionals, and thought leaders worldwide—providing a global stage for groundbreaking ideas, innovative research, and meaningful dialogue. Each event is thoughtfully designed to spark connections, challenge perspectives, and inspire solutions to real-world challenges.

From bustling international venues to immersive online platforms, PGC ensures that every participant experiences world-class content, inclusive engagement, and unmatched opportunities for growth and recognition.

### OUR VISION

To promote global advancements in science by sharing the latest research trends and developments across healthcare and agriculture, focusing on underserved communities and addressing disparities. Our goal is to contribute to a world where both quality healthcare and sustainable agricultural practices are accessible to all.

### OUR MISSION

At Precision Global Conferences, we recognize and celebrate advancements in scientific research across healthcare and agriculture. Our mission is to bridge knowledge gaps in both sectors by providing forums that foster idea exchange, collaboration, and the dissemination of groundbreaking research to improve human welfare and sustainability.

## WHY ATTEND OUR CONFERENCES?

- Gain insights into the latest research and developments in your field.
- Connect with experts, peers, and potential collaborators worldwide.
- Share your research with a global audience and receive valuable feedback.
- Enhance your knowledge, skills, and professional profile.
- Discover new perspectives and ideas that can inspire your future work.
